

Dec.09-2003

Dear Michigan Supreme Court,

in regards to proposed court rule no.2003-47 (Asbestos Bail Out Bill).  
Please be advised I'm directly opposed to it.I also believe that large  
corporations should stand accountable for any and all Corporate Mis-  
conduct on their part.After all that's what O.S.H.A.(Occupational Safety  
and Health Administration) is all about.It was designed specifically for  
the working individual.Besides,it's not appropriate or acceptable to  
change the rules after the game has already been played.Especially when  
it affects the final score.Therefore,I directly oppose any asbestos  
litigation or Court Rule that would further deny a working tax paying  
law abiding citizen of the state of Michigan their individual,  
inalienable,and constitutional rights.

Sincerely,

Douglas G.Anderson
